Golden Cockerel was formed in 1972 and is owned jointly by two families, the Benfers and the Elks, who have been involved in the poultry industry for three generations.

Led and managed by Ron Dullaway, the Group is fully integrated comprising feed mills, hatcheries, parent farms, broiler farms, processing plant and distribution.

Golden Cockerel processes in excess of 20,000,000 broilers per annum and accounts for 20.0% of the Queensland production. Group turnover is in excess of \$125 million per annum.

Ron will speak on the challenges faced by the company over the last 36 years in the Redland region including the difficulties of establishing a controversial business. Issues covered will include government and local council relations, community acceptance, transport and logistical issues.
